

**Roads to Rehab
Nepal**

NEWSLETTER NUMBER 4 - JANUARY 2018

WELCOME TO OUR FOURTH NEWSLETTER!

Since our last newsletter Roads to Rehab Nepal is excited to report

NHEDF has a long list of things for Santa – a block of land in Kathmandu, a purpose built building but some things are more manageable like an ultrasound machine!

A huge thank you to SSPG for making Road to Rehab the recipient of their Christmas charity of SSPG! As discussed, it would be great to have 2 options – donation by EFT and a wishing well at the Christmas party (so people could donate \$ if they do not want to go to a website). Santa visited our physio Anjeela bringing a new ultrasound machine!

Our role with Fistula Free Nepal is to raise funds to facilitate the rehabilitation of women who experience injury in the form of obstetric or traumatic fistula but whose fistulas cannot be cured by surgical intervention.

If you would like more information about our fistula project please visit our website <http://roads-to-rehab-nepal.org/fistula-project>

If you would like more information than what is on our website about fistulas in Nepal contact us info@roads-to-rehab-nepal.org and we will send you an information sheet. To read more about the work of Fistula Free Nepal please visit www.fistulafreenepal.org

OUR NHEDF PROJECT:

Over the last three months, NHEDF has cared for fifteen patients. Samrat, NHEDF's Director, has worked hard to ensure all have received the best medical and/or surgical intervention available. Thanks to the wonderful nursing care and physiotherapy provided by Kusum, Kunga, and Anjeela seven patients have been discharged but of course there are always more admissions!

REPORT FROM NHEDF'S DIRECTOR:

Samrat, NHEDF's Director, continues to do an amazing job. He reports:

OUR NURSE AND PHYSIO SPONSORSHIP PROGRAM:

THANK YOU:

We would like to thank all those who have made donations to both our projects and have become part of our Nurse and Physiotherapist Sponsorship Programs.

Please visit our website or fundraising pages for regular updates on the wonderful work we are doing and how you can help. If you would like to help us in a practical way, we welcome volunteers to assist us in our many tasks!

With best wishes and grateful thanks,

Virginia Dixon
